

My work @QuantLandscapeEcology

Eduard Szöcs

Institute for Environmental Sciences, University of Koblenz-Landau

Landau, 01.03.2016

My field of research is somewhere between...

... Eco(toxico-)logy, Statistics, Data analytics and Programming

My philosophy: reproducible and open

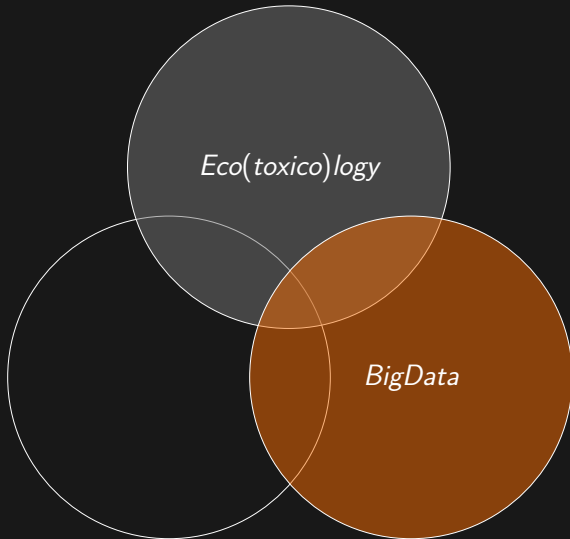

reproducible: always!

open: as much as I am allowed

Tools I am using and developing:

II - BigData in eco(toxico)logy

Data in Eco(toxico)logy
